I submit that I have completed this information on my own, without the help of any other individual(s).

Applicant Signature: _____ Date: _____

Instructions for completing the survey:

Circle either "yes" or "no" for each question or statement. Direct questions about any explanations you may need to the individual who brought you this survey.

1. I feel that it is acceptable to disregard company policies or rules, on a periodic basis, to help make my life easier at work. YES / NO
2. I feel that it's acceptable to stretch the rules at work, from time to time, for the good of the company. YES / NO
3. In some of my previous jobs, I have had fun testing the limits of my supervisors. YES / NO
4. In general, I always attempt to finish any task that I start. YES / NO
5. I have never hurt anyone's feelings. YES / NO
6. When I get mad, I often slam doors and cupboards to help vent my anger. YES / NO
7. I often find myself questioning decisions that I have made to determine if I have taken the correct course of action. YES / NO
8. In general, I don't make it a habit of telling lies. YES / NO
9. I have probably never told a lie in my life. YES / NO
10. In general, I find that managers and supervisors are hard to get along with on the job. YES / NO
11. Employees that are not recognized for their hard work should not have to obey company rules. YES / NO
12. Have you ever borrowed something from work, forgotten to take it back, and then just kept it? YES / NO
13. It is generally okay to hurt or cheat someone that has hurt or cheated you first. YES / NO
14. In all of my prior jobs, I have only done well when I have performed interesting tasks. YES / NO
15. In general, I don't think any less of my friends that steal from their places of employment. YES / NO
16. If a desperate or poor person were to steal, it is better than if a rich person were to steal. YES / NO
17. The majority of the population is a little dishonest and cheats on their income taxes when possible. YES / NO
18. If a person claims that they have never stole anything in their life, they are lying. YES / NO
19. If I were to find out that one of my coworkers was stealing, I would bring it to the police. YES / NO
20. If I got a good deal on merchandise, then found out it was stolen, I would bring it to the police. YES / NO
21. I have never done something that I have regretted. YES / NO
22. In my entire life, I have never made a statement that was not completely true. YES / NO
23. I consider myself to be a totally honest person. YES / NO
